

Vauxhall

Antibes
Limited Edition Range

Antibes. Package deals with no surcharges.

Nova 1.2

Astra 1.3

Cavalier 1.6

For a strictly limited number of motorists, Vauxhall announce a range of limited edition models, which, even by our standards, offer an extraordinarily complete specification, at an exceptionally attractive price: the Nova, Astra and Cavalier Antibes Range.

With the Antibes Package, you pay no surcharges for a sunroof, a stereo-radio/stereo-cassette, a five-speed gearbox – or for any of the other many 'extras'.

No surcharge either, for an extra generous measure of that indefinable but instantly recognisable quality called style. (It is positively no coincidence that the new range is named after one of the most exclusive resorts in the South of France).

Take a trip to your Vauxhall dealer. Make a leisurely tour of the Antibes range. You'd go a long way before you found a package deal which offers so much luxury, practicality and sheer enjoyment at such a low, all-inclusive price.

Given the immense popularity of the Cavalier it obviously offers precisely the blend of performance, reliability, low running costs and comfort demanded by a vast number of motorists. But it would, clearly, be foolish to claim, for a car which so overwhelmingly dominates its class, the additional virtue of exclusivity. Unless, that is, you happen to be the fortunate possessor of a Cavalier Antibes.

These dashing new Cavalier 1.6 saloons and hatchbacks offer the same range of exclusive paintwork, side stripes and interior trim colours as the two other models which bear the Antibes motif. As you'd expect, the spec. list is equally impressive.

A 5-speed gearbox is standard.

A sliding/tiltable glass sunroof is standard.

A four-speaker stereo radio/stereo cassette player, with electric aerial, is standard.

Bronze tinted glass; central locking, white Griffin grille emblem; white, flush wheel covers, rear spoiler and road-hugging low profile tyres; smart, anthracite coloured drip rails and waistline mouldings; a tailgate wash/wipe on the hatchback; and black inserts on the side mouldings and bumpers... are all (that's right) standard.

Now turn the page for the inside story...

Cavalier 1.6

 **ntibes**

Cavalier 1.6

The minute you open the driver's door of the Cavalier Antibes, you know you're looking at the top car of a very exclusive range.

We need hardly mention that the Cavalier Antibes is fitted with velour carpets, cloth door trim inserts and cloth-covered front seat head restraints.

You can also take it for granted that the passenger door mirror is adjustable from inside the vehicle and that a seat height adjuster and tiltable steering column are provided to allow you to tailor the driving position to your liking.

Added to all this is the sensual pleasure of driving a car which, motoring journalists agree, offers levels of performance and handling approached by very few cars in its class.

Take a good look at – or, better still, a drive in – the Cavalier Antibes and we think you'll agree there's really nothing we can add. And that's what makes our dazzling front-runner not only sensational, but sensational value for money.

Cavalier 1.6

SPECIFICATIONS

ENGINE

1.6 1598cc overhead cam, 4-cylinder. Power (max): 90PS (DIN) @ 5800rpm. Torque (max): 93.0 lb. ft. (126 Nm) @ 3800-4200rpm. Fuel system: Varajet II twin barrel carburettor. Manual choke with warning light – manual transmission. Automatic choke – automatic transmission. Compression ratio: 9.2:1 (4-star fuel).
