

Take your breath away

The Cavalier Convertible

Take it away

Take it down

Take cover

Take it to the edge

Take control

The brief: To take the high performance fuel injected Cavalier further.

The result: A sleek, stylish convertible guaranteed to take your breath away.

Low profile, road-hugging radials combine with finely tuned suspension to ensure immaculate road holding and a truly exciting ride.

The free-revving 1796cc, 115PS fuel injected engine packs sufficient power beneath the bonnet to get out of trouble fast.

Precise steering, slick 5-speed gearbox and uprated, direct-action servo brakes ensure precision handling to satisfy the most demanding driver.

Aerodynamically shaped with front and rear spoilers to cheat the wind, the manual transmission version returns 50 m.p.g. at a steady 56 m.p.h. Surprising economy for a car with such powerful performance and racy good looks. The Cavalier Convertible, taking Cavalier engineering to the very edge.

Take comfort

The intention: To add comfort and style to rugged open-top motoring.

The concept: A superbly designed 4-seater, 2-door convertible.

Outside: All-weather black hood, easily erected, can cope with any conditions. A choice of six exciting body colours. Electrically operated and heated door mirrors. Capacious boot.

Tinted windscreen and flush covered steel wheels help create distinctive good looks. The durable grey bumpers and protective side mouldings sport a sleek red insert all round.

Inside: Body-hugging sports seats sculptured for maximum support finished in grey Twill Sport cloth. Takes four adults comfortably.

Ergonomically designed dashboard with well defined instrumentation. Tilttable sports steering wheel. Lockable glove box. Electric boot release. Powerful heater. DC752 stereo radio/stereo cassette player.

Extra cost options: Spoked alloy wheels. Three-speed automatic transmission. Power assisted steering. Driver's seat height adjuster. Two-coat metallic paint.

The Cavalier Convertible

Take stock

Engine: 1796cc ohc 4-cylinder. Power: 115PS (DIN) @ 5800 rpm. Torque (max): 111.4lb.ft. (151 Nm) @ 4800 rpm. Bosch LE Jetronic fuel injection. Deceleration fuel cut-off. Automatic cold-start system. Compression ratio 9.5:1 (4-star fuel). Electronic ignition, hydraulic tappets, alloy cross-flow cylinder head, electric cooling fan.

Transmission: Front wheel drive. 5-speed overdrive gearbox standard. 3-speed automatic gearbox available as an optional extra. Final drive ratio—Manual: 3.94:1—Automatic: 3.43:1.

Suspension: Front: Independent. MacPherson struts with damper cartridge and coil springs. Anti-roll bar. Rear: compound crank with progressive rate miniblock coil springs and telescopic dampers. Anti-roll bar.

Steering: Rack and pinion. Energy-absorbing steering column. Turning circle: 33.1 ft. (10.1m). Tilttable steering column standard. Power assisted steering available as an optional extra.

Brakes: Dual circuit, diagonally split with direct action servo. Ventilated front discs and self adjusting rear drum brakes. Handbrake—on and low brake fluid warning lights. Plastic coated brake pipes.

Wheels: 5½J x 13 steel wheels with flush covers standard. 5½J x 13 spoked alloy wheels available as an optional extra.

Tyres: Manual: 185/70 HR 13 low profile radials. Automatic: 185/70 TR 13 low profile radials.

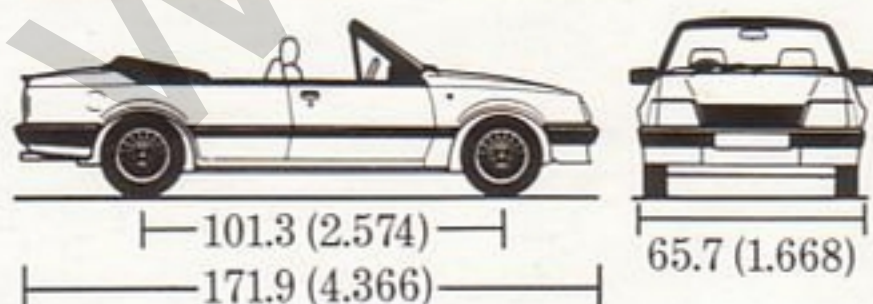

Fuel Capacity: 13.4 Imp. gallons (61 litres).

Electrics: 12 volt negative earth system. 45 amp alternator. 44Ah maintenance-free battery.

Body: All steel body with extensive anti-corrosion protection. Safety crumple zones, front and rear. Rigid strengthened passenger compartment. Integral steel body extensively reinforced with pressed steel components.

Usable load capacity: 16.2 cu. ft.

Exterior Dimensions: in. (metres).

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (Nov1985). However, with Vauxhall-Opel's policy of continuous product improvement, the Company reserves the right to change specifications and make modifications to the vehicles described and illustrated at any time.

Any alterations affecting the description and illustrations in this publication will be notified to Vauxhall-Opel dealers at the earliest opportunity.

Please consult your Vauxhall-Opel dealer for the latest information. The colours reproduced may vary slightly from the actual paint colour or material due to limitations of the printing process.

DoT Fuel Consumption Tests Mpg (Litres/100km).	Constant Speed	
	Simulated Urban Driving	56 mph (90 km/h) 75 mph (120 km/h)
5-speed manual	26.1 (10.8)	36.6 (7.7)
3-speed automatic	27.1 (10.4)	31.0 (9.1)

IMPORTANT: The results given relate to the particular car tested; inevitably there are differences between individual cars of the same model. In addition, some cars may incorporate particular modifications. Driving style, road and traffic conditions, vehicle mileage and standard of maintenance may also affect fuel consumption. Therefore the results do not express or imply any guarantee of the fuel consumption attainable.
