CAVALIER **LX**

The Cavalier LX and LXi are brand-new models with superb good looks and extremely attractive specifications.

Available in hatch and saloon body styles, with a 1.6 or 1.8i engine, the new LX models share all the established Cavalier virtues of low running costs, excellent performance and superb reliability. They will be in Vauxhall-Opel showrooms towards the end of 1987.

- ▶ The 1.8i ohc engine has Bosch fuel injection and a power output of 112PS, while the 1.6 has electronic ignition and maximum power of 90PS.
- ▶ A five-speed wide-ratio gearbox is standard equipment, automatic transmission optional at extra cost.

Externally, the LX has a number of features which distinguish it:

- ▶ Alloy wheels and 195/60 HR 14 tyres
- ▶ Sliding/tiltable glass sunroof
- ▶ Green tinted glass
- ▶ Body colour rear spoiler
- ▶ Body colour door mirror housings
- ▶ Red stripe in bumpers/body side mouldings
- ▶ Rear valance mouldings and sill mouldings

The interior of the LX is well-equipped to a high standard, with:

- ▶ SRI sports front seats with Carrera trim
- ▶ Driver's seat height adjuster
- ▶ Rear seats split 60/40 on hatch models
- ▶ Full instrumentation with rev counter
- ▶ Leather-trimmed sports steering wheel
- ▶ Lights-on warning buzzer
- ▶ Internally adjustable door mirrors
- ▶ DC 752 stereo radio/cassette
- ▶ Cassette storage facility
- ▶ Courtesy light/map reading lights
- ▶ Courtesy light delay cut-off
