

# CAVALIER PERFECTION

The Irmischer spoiler package with the sporty look changes a car into an exclusive limousine.

Class and distinction plus individuality with Irmischer extras.

The suspension kits I and II lower the car therefore decreasing the depth appearance but at the same time improve the handling.

## *Irmischer* CAVALIER

For increased power and flexibility why not fit the Irmischer Camshaft and Exhaust System. All Irmischer body and engine parts have German T.U.V. regulation approval.

Prices and technical information/details are obtainable from your local Vauxhall-Opel dealer

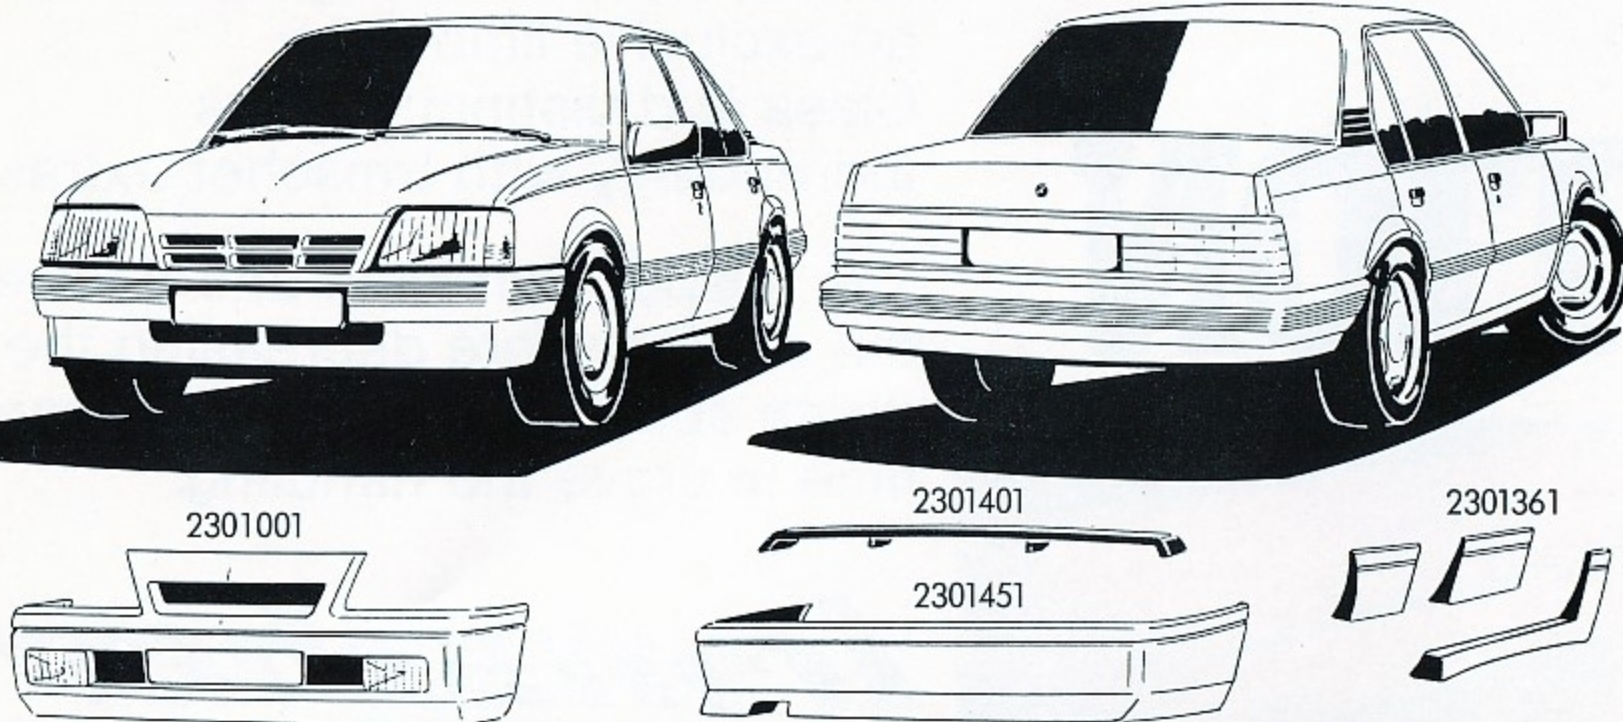

or

Irmischer UK, 2-4 Walhouse Road,  
Walsall WS1 2BN.

# *Irmischer*

Reduce the rear ground clearance look of the Cavalier by fitting the new combination of Irmischer Rear Spoiler and Rear Valance. Complete the sport look by fitting the Alloy Wheels or the Irmischer design Recardo Seats.
